# Transforming Education Across Your Trust

## Why Premier Education?

### Proven Track Record:

Trusted by over 2,500 schools nationwide

### Quality Assurance:

4.7/5 rating based on over 20,000+ Trustpilot reviews

### Expert Team:

1,000+ highly qualified coaches

### Comprehensive Offering:

Wraparound Care, Curricular PE, Extracurricular Clubs, Enrichment and Holiday Clubs.

As a Multi Academy Trust leader, you face the unique challenge of ensuring consistent, high-quality education across multiple schools.

Premier Education is the ideal partner in this mission, offering a comprehensive solution to unify your trust's approach to physical education, wellbeing, and personal development.

# Unifying Your Trust's Approach to Active Learning

As a trusted partner to over 2,500 schools nationwide, Premier Education offers Multi Academy Trusts a comprehensive solution for delivering consistent, high-quality physical education and wraparound care. With our team of 1,000+ qualified coaches and a proven track record spanning 25+ years, we help MATs streamline their operations while enhancing educational outcomes. Our centralised approach reduces administrative burden, ensures consistent quality across all schools, and provides robust data-driven insights for continuous improvement.

## Fully fledged provision

### Standardised Physical Education Curriculum

Implement a consistent, high-quality PE curriculum across all your schools:

- Aligned with the National Curriculum and Education Inspection Framework (EIF)
- Over 30 different sports and activities to engage all students
- Tailored to each school's specific needs while maintaining trust-wide standards

### Trust-Wide Extracurricular Program

Offer a diverse range of before-school, after-school, and lunchtime activities consistently across your MAT:

- Sports clubs
- Performing Arts sessions
- Personal development workshops

### Centralised Wraparound Care

Provide Ofsted-registered wraparound care programmes across all your schools:

- Consistent quality and safeguarding standards
- Reduced administrative burden for individual schools
- Increased parent satisfaction across your trust

### MAT-Wide Holiday Camps

Organise unified holiday camps across your trust:

- Multi-sport, sports-specific, or performing arts-based options
- Consistent branding and quality across all locations
- Centralised booking and administration

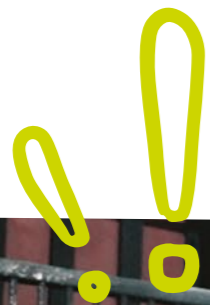

We have specialised activity professionals to support our huge range of activities

## Performing Arts Integration

Enhance your trust's arts offering with our drama and dance programs:

- Develop communication skills and creativity
- Offer a well-rounded approach to physical activity and personal development
- Create trust-wide performances and showcases

## Personal Development and PSHE

Implement a unified approach to PSHE and wellbeing across your MAT:

- "Game of Actual Life" program for real-world skills
- Wellbeing sessions to promote healthy lifestyles
- Consistent messaging and values across all schools

## Data-Driven Improvement

Utilise our assessment tools to track student progress across your entire trust:

- Centralised data collection and analysis
- Identify trends and areas for improvement at both school and trust levels
- Evidence-based decision making for resource allocation

## Staff Training and Development

Upskill your entire workforce with our expert-led training programs:

- Consistent approach to PE and physical activity across all schools
- Enhance the capabilities of your existing staff
- Reduce reliance on external providers

# Discover Pepé, your dedicated PESSPA partner

Our online platform is designed to transform your PE provision and streamline processes across your schools.

## Key features include:

- ✓ A Full PE Scheme of Work
- ✓ Detailed Lesson Plans
- ✓ Tools to Help Measure Impact
- ✓ Pupil voice questionnaires
- ✓ Collect Teacher Feedback
- ✓ Measure your pupil's progress

## So much more than just online lesson plans

# B11 Education

*The school improvement specialists*

Bespoke services for trusts from the UK's top education consultants.

## MAT-Wide Quality Assurance

- Implement consistent evaluation processes across all your schools
- Prepare for Ofsted inspections with expert guidance
- Develop a trust-wide culture of continuous improvement

## Leadership Development

- Access tailored leadership training programs for MAT executives and school leaders
- Create a unified leadership approach across your trust
- Develop succession planning strategies for key roles

## Curriculum Design and Assessment

- Collaborate on creating a standardised, high-quality curriculum framework for all MAT schools
- Ensure curriculum consistency while allowing for school-specific adaptations
- Implement effective assessment strategies across your trust

## School-to-School Support

- Facilitate knowledge sharing and best practice exchange within your MAT
- Identify and nurture centres of excellence within your trust
- Develop strategies to support underperforming schools

## Don't just take our word for it...

### A decade-long relationship benefitting schools, communities, and children.

"Being in partnership with Premier Education has been a really enjoyable journey. Schools need variety, schools need people who enjoy what they do, and Premier definitely provides that.

They are our family, and I think any school that opens its doors to Premier Education will find that they are able to deliver a holistic education for children."

#### Maxine Low

Head Teacher  
Brooklands Farm Primary School

"Being in partnership with Premier Education has been a really enjoyable journey..."

# The Premier Education Advantage for MATs

As a national organisation, we have the infrastructure to support schools across counties and local authorities. Our 25+ years in the sector gives us the experience and knowledge to support you in solving your biggest challenges.

## Consistency

Ensure a high-quality, standardised approach to PE, wellbeing, and personal development across all your schools.

## Efficiency

Centralise planning, delivery, and reporting, freeing up resources at individual schools.

## Cost-Effectiveness

Benefit from economies of scale by partnering with a single provider across your trust.

## Quality Assurance

Our programs align with Ofsted requirements, supporting your schools in achieving outstanding ratings.

## Pupil Outcomes

Improve physical health, mental wellbeing, and personal development consistently across your trust.

## Parent Satisfaction

Offer high-quality wraparound care and holiday camps, supporting working parents across all your schools.

## Brand Enhancement

Elevate your MAT's reputation with a comprehensive, professional approach to active learning.
